COMMUNICATE-ED CHARITABLE DONATIONS POLICY

1. Funds given for charitable causes through the Communicate Trust are administered through Links International Trust: Charity No. 327000
2. Resources are available at Communicate-ed courses. Each resource has a suggested donation.
3. All monies given are passed to the Communicate Trust and are used in full for charitable purposes.
4. Donors using personal funds (cheque or cash), and who are UK tax payers, may choose to allow Gift Aid tax relief to be applied to their donation. Gift Aid forms are available for this purpose.
5. Where donors wish to elect for Gift Aid to be claimed, the cost to Communicate-ed of any resources acquired by the donor will be deducted from any monies given. The deducted amount will still be passed on as a charitable donation (the cost borne by Communicate-ed) but is not eligible for Gift Aid.
